ABOUT ME

I'm a dynamic and driven individual with a strong educational background and a diverse skill set in the field of technology. Holding GCE Advanced Levels as well as pursuing both a BSc(Hons) in Software Engineering and a BTEC(Hons) in Instrumentation and Automation, I have demonstrated a commitment to academic excellence and a passion for learning.

With the aid of both my studying areas, navigate my professional journey as a versatile freelancer. Balancing academic commitments with freelance projects, I harness my expertise in web development (HTML, CSS, JavaScript, PHP) and mobile application development (Flutter) to deliver innovative solutions to clients.
